The below core values best define Moracon Air-Conditioning's winning team attributes and are the guiding principles in our company culture:

Faith in God

Ownership

Integrity

Innovation

Self-Respect

Diligence

Self-Discipline

Perseverance

Who we are

Moracon Air-Conditioning

Moracon is a dynamic Supplier and Service Provider specializing in Heating, Ventilation and Air-Conditioning solutions across Commercial, Industrial & Residential applications.

Moracon was formally incorporated by its founder Warren Morris in 2012. Today some eight years from start-up Moracon values a premium blend of diverse human capital in excess of 30 years collective HVAC industry experience.

Our Winning Leadership Team

Warren Morris | **MANAGING MEMBER**

Warren Morris founded Moracon Air-Conditioning in 2012 and drives the business end of the company to include the implementation and sustaining of the Company's Core Values, Mission & achieving Strategic Goals.

Dewald van Staden | **OPERATIONS MANAGER & MEMBER**

Dewald van Staden started out in the HVAC trade from scratch in 2009 as a junior technician and worked his way through the ranks and technical skill sets to Senior Technician status and completed his MERSETA accredited Mechanical Refrigeration Trade Test in 2017. As head of Operations Dewald drives Moracon's technical service delivery standard, staff training and customer interaction. Dewald specializes in the following HVAC systems across Commercial, Retail, Industrial and Residential applications:
